STATE SURVEY OF HIGHWAYS IN COUNTY BEGINS

ENGINEER TOM M'EWEN IS IN CHARGE OF PARTY THAT COMMENCES AT SPRING HILL.

MAKING THEIR WAY SOUTH

Will Then Survey the Mt. Pleasant Pike After Which the Putaski Road Will Be Gone Over—Maury County Doing the Work.

(Daily Herald, Aug. 25.)

Surveyors from the state highway commission are at work making the preliminary surveys of the state and federal aid highways of Maury county. Work commenced last week on the Nashville pike, the party of surveyors and transit men beginning their task at the county line north of Spring Hill. They will then take the pike from here to Mt. Pleasant.

The engineering party is under the charge of Tom McEwen, formerly of Columbia and who has just returned from two years service with the American engineers in France. Mr. McEwen is a brother of William McEwen, of the Cumberland Telephone Company and has been for several years associated with Chief State Highway Engineer William P. Moore, by whom he is held in the very highest esteem.

The work of surveying the road will necessarily be slow as all changes that appeal to the engineer must be surveyed out and cross sections made. But no time will be lost and the preliminary surveys will probably be completed in the county within the next two or three weeks.

FAIRBANKS IS BOUND OVER TO GRAND JURY

MAKES BOND FOR \$500 IN CASE CHARGING FRAUDULENT BREACH OF TRUST.

A. A. Fairbanks, South Main street furniture dealer and repairer, who was tried before Justice of the Peace T. M. Jones Friday on a warrant charging fraudulent breach of trust, sworn out by J. C. Joyce, was bound over to the grand jury of the circuit court and made bond in the sum of \$500 for his appearance. The trial lasted several hours.

During the noon recess of the trial, Hugh Lee Webster brought a civil suit for the recovery of furniture alleged to have been left in the possession of Fairbanks. Mr. Webster had already sworn out a warrant charging Fairbanks with fraudulent breach of trust. The trial of these cases probably will be held next week.

LIFT CORNS OR CALLUSES OFF

Doesn't hurt! Lift any corn or callus off with fingers

Don't suffer! A tiny bottle of Freezone costs but a few cents at any drug store. Apply a few drops on the corns, calluses and "hard skin" on bottom of feet, then lift them off.

When Freezone removes corn from the toes or calluses from the bottom of feet the skin beneath is left pink and healthy and never sore, tender or irritated.—(adv.)

Ex-Senator Church To Again Address Folks On Taxation

Friends and supporters of Senator Church in his war on the state tax "machine" have procured the New Grand Opera House for Monday, September 8, at 2 o'clock and Senator Church at that time will again be heard. It is understood that Senator Church will bring out many facts that he did not refer to in his first speech. It will be remembered that several days ago Senator Church issued a challenge to Senator, Author and Statistician Louthan to meet him before the people of the county. It is not known whether the statistician and senator will appear on the second Monday.

M'DOWELL SCHOOL TO OPEN TERM MONDAY

EVERY PUPIL IS URGED TO ATTEND PROMPTLY AT BEGINNING OF SESSION.

School will begin at the McDowell school on next Monday morning at 9 o'clock. Every pupil who expects to attend this session of the school is urged and expected to be on hand promptly at the hour appointed. Mrs. Jesse Tomlinson, the principal of the school, is especially anxious that the pupils start on time so that the classes can be organized and work begin at once. Mrs. Tomlinson does not believe in wasting a day of the school term and she knows from long experience that the pupils who come in late simply cannot do full justice to themselves or to the school.

The faculty of the school has been completed, with music, expression, etc., taken care of. A new room has been erected during the summer and the pupils will have more conveniences than they have had in the past. Mrs. Tomlinson is expecting a good term and she believes in a good beginning, hence her insistence that the pupils be there on time.

MRS. NANCY FITZGERALD IS CLAIMED BY DEATH

WAS A MEMBER OF ONE OF THE MOST PROMINENT FAMILIES OF THE COUNTY.

(Daily Herald, Aug. 25.)
 Having never recovered from a fall received 18 months ago when she suffered a broken hip, Mrs. Nancy Angeline Fitzgerald, age 83, died Saturday evening at 7 o'clock at the home of her daughter, Mrs. Eugenia Godwin, near Theta. Mrs. Fitzgerald was a member of one of the oldest and most prominent families of the Carter's Creek section of the county, being a daughter of the late Thomas McEwen. She was for 70 years a member of the Cumberland Presbyterian church and in her younger days was quite active in the affairs of her church.

Mrs. Fitzgerald is survived by two daughters, Mrs. Eugenia Godwin, of Theta, and Mrs. Morgan Fitzgerald, one son, William Fitzgerald, one stepson, Lucius McEwen, and one sister, Mrs. Margaret R. Jamerson.

The funeral services were conducted Sunday afternoon at 2 o'clock at the Baptist church at Theta by Dr. R. W. Seay, of Franklin, and the interment was in the family square. Her nephews, Cliff and John Jamerson, Tom McEwen, Walter Frank and George Fitzgerald, acted as pall bearers. Arrangements by Maury Undertaking Co., T. L. Cunningham in charge.

TO NAME FOOD ADMINISTRATOR MAURY COUNTY

SPECIAL AGENT JOSEPH M. TOWLER HERE LOOKING INTO COST OF LIVING.

PRICES TO BE FIXED HERE

Expected That Machinery Operated During the War Will Be Functioned Here During the Coming Week. Wild Rumors Afloat.

(Daily Herald, Aug. 25.)

Special Agent Joseph M. Towler, of the United States department of justice, who is in special charge of the investigation into the high cost of living being conducted by the federal government in this section, was in Columbia on Sunday. Mr. Towler stated that a food administrator would be appointed at an early date for Maury county. He was making an investigation here to ascertain who would be a suitable person for this job. It is understood that as soon as a county food administrator is named a price fixing committee will be organized like that organized in Nashville and other cities which will undertake to fix the prices of food commodities sold in the city.

Following the visit of Mr. Towler many wild rumors that do grave injustice to those whose names are connected with them were put into circulation by scandal mongers. The old story first started at Nashville and worked over in every town in this section, was given a "local color." The story is almost a chestnut by this time, but connected with the name of a local merchant excites unusual interest. The story is something to this effect. A special agent called for a show down of a number of pairs of expensive shoes. Then he asked for the invoices which were refused. Immediately his badge was exhibited and upon the production of the invoices fabulous profits were revealed.

It is expected that within the coming week the machinery of the food administration will be set up in Maury county. It is already beginning to function in the other counties.

\$1,000 REWARD FOR CAPTURE OF EACH OF FOUR TRAIN ROBBERS

Who wants to make \$4,000 easy money? That's what the government will pay, it is said, for the arrest and conviction or information leading to the arrest and conviction of each of the four train robbers who held up L. & N. passenger train No. 7 Tuesday night and rifled the registered mail.

Attention was called to the fact today that there is a standing reward of \$1,000 for the arrest and conviction of a person who robs the U. S. mail. No official announcement has been made of a special reward for this robbery, but the standing offer is good enough to start all the amateur detectives in the country to working on the case.

3 BODIES FOUND AT SEA MAY BE CREW OF GOLIATH FRENCH AIRPLANE

(By United Press.)
 PARIS, Aug. 23.—Dispatches from Casa Blanca reported today that French patrol boats had picked up the bodies of three dead men off the African coast. The men are presumably members of the crew of the missing airplane Goliath, which attempted a flight from France to French Senegal and unheard from since Saturday.

PRIMARY DEPARTMENT COLUMBIA INSTITUTE

MRS. HINES WILL REOPEN HER SCHOOL ON MONDAY, SEPTEMBER 15.

At the earnest solicitation of a number of her patrons, Mrs. Hines has decided to open her primary school at the Columbia institute on Monday, September 15, at 10 o'clock. All parents who expect to enter their children are requested to notify Mrs. Hines at once of that fact. The news that Mrs. Hines is to reopen her school will be received with much gratification by her numerous patrons.

EVER SALIVATED BY CALOMEL? HORRIBLE

CALOMEL IS QUICKSILVER AND ACTS LIKE DYNAMITE ON YOUR LIVER.

Calomel loses you 2 days! Yes, you know what calomel is. It's mercury, quick-silver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

When you feel bilious, sluggish, constipated and all knocked out and believe you need a dose of dangerous calomel just remember that your druggist sells for a few cents a large bottle of Dodson's Liver Tonic, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and can't savorate.

Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tonic straightens you right up and you feel great. Give it to the children because it is perfectly harmless and doesn't gripe.—(Adv.)

SPECIAL EXAMINATION FOR COUNTY TEACHERS

County Superintendent Graham urges that all teachers who have not stood the state examination or received a certificate to teach for the coming term take notice of the special examination that will be held here on Friday and Saturday, Sept. 5 and 6. This examination was ordered by State Superintendent Williams for the purpose of affording the teachers a chance to take the examination so they could teach during the coming term. The state board is enforcing the law which forbids the issuance of temporary certificates to those who do not take the examination and for that reason there are several teachers in Maury county who, unless they do take this special examination and obtain certificates, cannot teach during the coming term.

Health About Gone

Many thousands of women suffering from womanly trouble, have been benefited by the use of Cardui, the woman's tonic, according to letters we receive, similar to this one from Mrs. Z. V. Spell, of Hayne, N. C. "I could not stand on my feet, and just suffered terribly," she says. "As my suffering was so great, and he had tried other remedies, Dr. — had us get Cardui. . . I began improving, and it cured me. I know, and my doctor knows, what Cardui did for me, for my nerves and health were about gone."

TAKE

CARDUI

The Woman's Tonic

She writes further: "I am in splendid health . . . can do my work. I feel I owe it to Cardui, for I was in dreadful condition." If you are nervous, run-down and weak, or suffer from headache, backache, etc., every month, try Cardui. Thousands of women praise this medicine for the good it has done them, and many physicians who have used Cardui successfully with their women patients, for years, endorse this medicine. Think what it means to be in splendid health, like Mrs. Spell. Give Cardui a trial.

All Druggists

WOMEN APPRECIATE HONOR GIVEN THEM

THANK ELECTION COMMISSION FOR APPOINTMENT AS ELECTION OFFICERS.

To The Herald:

Please allow the women voters of the community to express our appreciation of the honor done us in appointing women to a place at the polls in the forthcoming election. We are ready to serve to our fullest ability, if we are qualified to have any part in this election. This election has regard to a state matter and women have been granted a voice only in national and municipal questions.

We are citizens of Columbia and the United States, but not of Maury county and the state of Tennessee!

We thank our co-suffragists, the gentlemen (and we use the term advisedly) for the compliment paid us in saying they wished the ladies' influence at the polls, but we can assure the public that those gentlemen kept such orderly places of registration that we doubt our ability to improve them.

We await the decision of the authorities, and if we have a place at the polls, we shall be glad to serve.

Yours respectfully,
 (Mrs. D. D.) Carrie Walker Little,
 Secretary of Equal Suffrage League,
 Columbia, Tenn.

NEW YORK.—A new reason for the high cost of living was literally unearthed when the health commissioner declared bakers are using petroleum jelly instead of lard and butter in their pies.

LEMON JUICE

FOR FRECKLES

Girls! Make beauty lotion for a few cents—Try It!

Squeeze the juice of two lemons into a bottle containing three ounces of orchard white, shake well, and you have a quarter pint of the best freckle and tan lotion, and complexion beautifier, at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of orchid white for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles and blemishes disappear and how clear, soft and rosy-white the skin becomes. Yes! it is harmless and never irritates.—adv.
